School Dinners

Please can we ask parents whose children were provided with hot school dinners prior to lockdown, to settle their unpaid accounts via EPay (on eSchools) as soon as possible. Messages have been sent to those parents with unpaid accounts.

While we appreciate that some families have suffered financial difficulties during this awful time, the school is not in a position to cover the cost of unpaid dinner accounts, which will be charged to the school if they remain unpaid. This would mean funding which has been allocated to provide resources for children to use in school would have to be used to pay these debts, affecting all of our pupils. We would be grateful for your co-operation in this matter, but please contact the school office if you need any assistance to set up a payment plan. All accounts must be settled by the end of term.
