

Newsletter No.25: 24th March 2023

On Monday the Year 4 children visited Slimbridge WWT. We had class workshops, which centred on Eco Life. We were all surprised with how many items are made of plastic, how many were single use and how long it takes for the plastics to be broken down! We were pleased to be shown some alternatives to plastics and our future “Earth Protectors” were happy to take on the challenge! We had a lovely visit of the site seeing one day old Ducklings , mirroring Swans, nesting Nenes and met a 60 year old Flamingo! We enjoyed our lunch in the dry classroom and ventured to the newly developed Welly Boot Land where the children had a splashing time! Thank you as always to our Slimbridge Guide, Parent Helpers, Teaching Partners and our Year 4 Teachers Mr Bedford and Mrs Brown for organising this educational, interesting and fun trip.

We started our Big Walk and Wheel this week and will continue for the next two weeks. We really appreciate all of your help with looking into alternative ways of getting to and from school. Hopefully the warmer weather will help as well!

The Year 3s gave a brilliant violin performance on Monday. The confidence of the children at just 7 and 8 years of age was great to see. We enjoyed listening to what they have been learning over the term. Special thanks to our parents who were able to join us and our music teacher, Mrs Wheeler.

The cricket club continued on Tuesday. Year 4 had their free Brass lessons, Year 4 (Willow) had their Swimming lesson at the Pulse and on Friday it was our Open Morning and Open Afternoon, teas, coffees and biscuits were aplenty, whilst children were proudly showing their parents and carers their work and achievements or the term.
