Parking

We have again received a complaint from a local resident regarding parents parking blocking their driveway. Please could we ask parents to park responsibly and show consideration to our neighbours when leaving their vehicles. This particular person requires disabled access to their premises at all times.

Anti-Bullying Poster Competition

Thank you to everyone who has submitted their poster entries. We are aware that a number of children are still working on their posters, so in view of this, we have extended the deadline and will announce the winners in next week's Celebration Assembly.

Children In Need

We would also like to thank all the children (and staff) for participating in non-uniform day for Children In Need. We have raised the grand total of £117.24.

SEND Reviews

Due to the current Covid restrictions, the SEND review meetings booked on the VLE will now take place online via Zoom. The code for these meetings is: ID 455 032 5290, Passcode s15HeX

Visit by Bart Gee—Friday 26th November

Bart Gee, an inspirational and motivational speaker, will be coming to speak to the children about disability and 'Turning Disability into Possibility' on 26th November. We are all looking forward to meeting him.

Please note that this event taking place is subject to change due to recent or a rise in positive COVID cases and may well need to be rescheduled for after Christmas. We will keep you informed if this is the case.

Open Morning—Friday December 3rd 9:15– 10:30am & 11:00am —12pm

This open morning will be for existing and new parents to come along and have a tour of the school. We appreciate that some parents haven't been able to see the school and experience what we do so well, so this is an opportunity to visit classes and see the facilities we have. Further details to follow regarding booking your place for a tour.

Continuation of Current Covid Restrictions

Thank you to everyone for your support and understanding during this period of increased positive pcr cases in our Y4 group as advised by Public Health England. As a precautionary measure we have placed Y4 in a bubble and in doing so, they now have staggered break and lunch times. To reduce the spread of the virus further, we ask that all Y4 pupils now line up in the mornings on the lower playground instead of the upper playground. At the end of the school day, Y4 will leave first before Y3 classes.
