### School Repair Work—Monday 20th June to Friday 29th July

The school will be undergoing roof repair works commencing on Monday 20th June. There will be no access to the lower playground via the small gate by the shed area during this period and the lower corridor door will also be out of use. Children in Y3 and Y4 should be dropped off and collected from the top playground in the mornings and afternoons. There will still be access to the school office during the repair work.

### School End of Year Performance

Due to secondary schools holding transition days and evenings across a variety of dates, which we were previously unaware of, we have decided to hold both the matinee and evening performances on Thursday 14th July. This means that all Y6 can participate without disruption. Please accept our apologies for the changes due to circumstances beyond our control.

### School Photos

School photo proofs have been sent home with children this week. Orders can be placed online until 23rd June. Please note that cash or cheque payments cannot be accepted via the school.

### Sporting Events This Week

Teams of children have taken part in a number of sporting events this week, Athletics at Rednock on Monday, Athletics at Dursley Primary School on Wednesday, Cricket at Stroud on Thursday and Cricket at Frocester on Friday. We are so proud of everyone who represented the school to such a high standard and would like to thank parents for their support in allowing the children to take part. A big thank you to Mr Seal who helped Mrs Wainwright during the event on Friday and also transported the children to and from the venue.

### Current Hot Weather Spell—Suncream

As a school we fully understand the need to ensure that children are safe in the sun and of course use suncream as the main layer of protection when playing outside. We also have children in the school that have allergies that we need to protect and as we are unaware of the ingredients contained in these lotions or suncreams, especially the spray versions, we have asked parents to ensure that their child has applied suncream before coming to school. If your child needs to apply the cream more frequently, we are more than happy to discuss individual cases. Please contact the school office, if this is the case.

During these very hot spells, we will be managing the children's break times by ensuring that they use the back field to benefit from the shade but are still be able to enjoy the fresh air. Please make sure that your child brings into school a bottle that can be filled regularly with water and a hat to wear during break times.
