New Year 3 Children for September

Letters have been sent out to our new Year 3 parents for children starting in September, with details of transition dates, parents evenings, etc. Further information will be available on the school website during the week commencing 7th June.

Safeguarding Online

One of our parents has brought to our attention that some children have been accessing an app called 'Omegle' which allows anyone to chat online with strangers, without having to register any details. This is obviously a concern, especially in view of the fact the website even says it is used by 'predators'. Please speak to your child to warn them how dangerous this could be and reinforce safety online.

Year 6 Swimming

Next week is the last swimming session for Redwood and Maple classes. We hope the children have enjoyed this activity over the past 4 weeks.

Books for School

We have recently purchased another 850 books for the children to use for home reading. These were purchased through the kind donations received during lockdown. Further books will be purchased next year to replenish supplies.
