### Childhood Nasal Flu Programme

Letters have been sent out regarding the annual Flu Programme which will take place in school on Tuesday 20th October.

### COVID Testing Centres

Information regarding local Testing Centres can be found on [www.Gloucestershire.gov.uk](http://www.Gloucestershire.gov.uk)

### Parents' Evenings

We will be holding virtual meetings with parents during the last week of term as well as sending out interim reports for each child in the school. These particular meetings are to discuss how your child is settling into school and will be allocated 10mins per meeting per child. Further information will be circulated to all parents on Monday which will detail: days, times and how to book a virtual meeting.

### Contingency Plan for Pupils' Learning.

Mrs Bennett has created a 'Learning Plan' that takes into consideration if a child, group, class or whole school is self isolating due to COVID-19. Please see the attached plan that will explain the 3 stages and how the school will respond and what the parents need to do to support their child's virtual / remote learning at home.

As a school, we are determined to make sure that learning will still take place, even if pupils are studying from home, anytime over the course of the year. Therefore, it is essential for the school to know of any child that does not have access to a desktop, laptop or tablet, in order to access their home learning, if the need arises. Please contact the school office if this is the case for your child.

### Visit from Dr Wilson CEO of CBAT

Dr Wilson visited CWJS yesterday to see how the school was operating under the COVID-19 measures. He thoroughly enjoyed his visit and was extremely impressed by the children's excellent behaviour in the classrooms and the speed in which they had learnt the new routines of the school.

***Well done children we are so proud of you all and rightly so -you're AMAZING!***
