Where do the vouchers come from?

The voucher company is called Auriga. You will receive an e-mail from the following e-mail address: selectcode@select-your-reward.co.uk. This is not spam, but may come through into your junk folder, so please check this regularly.

I have the e-mail from selectcode@select-your-reward.co.uk but the voucher has not come through yet, what can I do?

Once you have clicked on the link within the e-mail and selected the supermarket you would like to use, the e-voucher should come through within an hour of completing this. If for any reason your voucher does not come through after having selected your supermarket, please contact Auriga on the following number: 0330 123 5550.

My e-mail address has changed but I haven't informed anyone, what can I do?

The vouchers will be sent to the e-mail address you have supplied. My e-mail hasn't come through yet, when should I receive it by?

You should receive your initial e-mail between the 8th-10th February. If you have not received your voucher by noon on the 11th February, please e-mail the following address: Childrensfund@gloucestershire.gov.uk providing details of your name, and your child's name, explaining that you have not received the e-mail.

The Vouchers can also be used online if you are unable to access a supermarket.
