

# Newsletter No.22: 3rd March 2023

We hope everyone had a restful break. As always it was a pleasure to welcome the children back to school with stories of half term fun and the excitement for the new term ahead!

We have successfully partnered with Pets as Therapy (PAT). Therefore, Pepper the dog and her lovely owner Cherry, will be coming into school to support and work alongside some children.

As you know we have PE twice a week and in order for all children to take part they must bring in their PE kits every Monday. The new Indoor Cricket Club, which will run for five weeks started on Tuesday after school and was hosted by Ben Lane, a member of the Cam Cricket Club. We would like to thank Mr Lane for his time and offering children this free opportunity to gain new skills.

We continued the week with Year 3 having their free Violin lessons, Year 4 had their free Brass lessons, Year 4 (Willow) had their first Swimming lesson at the Pulse and After School Clubs resumed.

On Wednesday we held a Year 6 Parents Residential Information Evening. Thank you to all of the parents who were able to attend. If you have any questions or require any further information, please do not hesitate to contact the school office.

On Thursday for World Book Day, the day started with Open The Book presenting a lovely assembly to the children. This was followed by the Children proudly presenting their 'Story Cones' to the class, where they all had to guess the book that their 'Story Cone' represented. The Story Cones will be on display in our library. Thank you to all parents for encouraging and supporting their children to celebrate this day. We love seeing how proud the children are when they change their books or have moved up a level for their reading!

### Reminder: Car Parking

Please remember to park safely, carefully and considerately for our neighbours and wider school community.

### Message from Cam Parish Council, in relation to Parking:

*Would you be able to pass a message on to parents asking them to park considerately and safely when dropping children off please. I understand that the road outside the schools becomes badly congested with parked cars at the beginning and end of the school day. This problem was particularly bad today with a bus and the bin lorry struggling to get along Elstub Lane due to parked cars on the junction of Elstub Lane and Tyndale Road.*

### Message from Cam Woodfields Infant School:

*We are in need of school trousers, skirts, dresses and tights to keep as spares. If you have any smaller sizes that your children have outgrown, then please can you donate them to us at the Infant school. Your help is greatly appreciated.*
