

Welcome Back

We wish you a Happy New Year and hope you all had a reasonable Christmas, despite the current COVID situation escalating since then. Fingers crossed we will return to some kind of normality very soon!

Generous Donations to the School

We are so pleased to announce that we have recently received two extremely generous donations of funding for the school to use. £1,000 has been offered by the parents of a staff member for the school to use towards creating better learning for our children through IT. The second donation of £200 has been donated anonymously for purchasing school uniform for some of our underprivileged children. We are extremely grateful for this wonderful act of kindness from members within our local community and cannot thank them enough for their thoughtfulness and generosity.

Important Changes to Remote Learning—starting from Monday 11th January. Please refer to the additional document attached to this email that outlines the new changes to remote learning at CWJS. It includes new timings, details of the pupils' attendance, work expectations and how the sessions will run. These changes are in line with new DfE guidance published on Friday 8th January 2021.

Laptops to Support Pupils at Home

Parents who have requested help from the school to provide additional IT equipment will be supported through the DfE IT programme. The school, on behalf of the parents, has requested laptops to support families at home. We are still awaiting confirmation from the DfE regarding the school's order and will update those parents as soon as possible. Unfortunately, we are not in a position to loan any of the school's laptops out to parents, due to them being used by Key Worker children in lessons.

DATES TO REMEMBER

Dates will be added later.
