- Identify places with a Viking origin on the map of Britain. Remember to look out for places with Thorpe, Thwaite, Toft, Keld, Ness, By and kirk.
- Research the Viking homelands in Scandinavia what were they like? What are they like now? You could use 2graph in Purple Mash to show some of the key information.

For homework this term, you need to select 10 pieces that you would like to do to help you discover more about our theme and record each one using the table below. You need to select at least one activity from each subject box. Each piece of work that you produce must be of high quality, as they will be shared with your class. Be as creative as you can and have fun completing each activity, you might even like to do an activity as a whole family. Your class teacher will regularly check-in with you to find out how you are getting on with each project. Once you have completed a piece of work, remember to bring it into school or take a photo, so that your class teacher and class can see the fantastic work that you have produced. All 10 pieces must be completed and handed in by xxxx. **Please note, you do not have to stick to the activities suggested.** If you have a better idea that links well to our theme and the subjects above, please feel free to do so. Additionally, if your child needs any support or resources, please ask their class teacher.
