Redwood's Class Assembly

Wow! A fantastic display of the children's knowledge about the Stone Age. Well done Redwood, it was lovely to watch your assembly full of Stone Age facts with a twist of 'family fortunes' and cover versions of Queen's 'We Will Rock You!' and John Lennon's 'Imagine.' Thank you to all the parents and carers that attended this morning, it was just great seeing you all in school, watching the assembly and having you back in the classroom looking through your child's books... fantastic parent comments on the post it notes too!

Class Assemblies for the other classes

From next term there will be opportunities for parents and family members to watch their child's class assembly. As part of this experience you will also be invited back to the classroom to view your child's work. Dates for your child's class assembly is in the 'Important Dates' section.
