

Year 3/4 NSPCC 'Pants Rule'

During the week of Monday 7th Dec, Year 3 and Year 4 will be learning about the 'Pants Rule' which has been created by NSPCC. 'Pants' helps children understand that their body belongs to them, and they should tell someone they trust if anything makes them feel upset or worried. If you would like some more information relating to 'Pants' then please see the following NSPCC link:

<https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/pants-underwear-rule/>

Collecting Children

Please can we remind you not to walk in between or lean against the parked cars on the driveway when collecting children. We do not want staff cars damaged.

A Science Competition not to be missed!

The Young Imagineers have organised a fantastic national Science competition running until Sunday 31st January:

"What invention would you create to make tomorrow's world a better place?"

The Young Imagineers Challenge invites young people to think about the important issues they feel the world faces today and pick one thing they would like to see solved in the future - based on the theme of making tomorrow's world a better place! To help guide young minds, we've split the challenges into three categories; health, sustainability and technology. The winners for each category will receive Science prizes for themselves and their school. For more details and to enter, please use the following link: <https://youngimagineers.equinor.com/entries/>
