### School Week!

Well done to all those children who have been keeping to their teachers' learning programme throughout the week on the VLE. Everyday the teachers are uploading new tasks or brain teasers for children to solve or work through. We have also printed off packs for families that are finding it troublesome using the VLE, so that everyone has access to learning.

Mrs Wainwright alongside the teachers, have been monitoring the children accessing the VLE. Teachers will be sending messages to parents whose child has not logged onto the site or hasn't requested a printed learning pack. The school needs to make sure that all children are able to access learning, either by using the VLE or collecting a printed learning pack from school. Parents please make sure that either resource is used to support your child's learning at home.

For those of us that are still in school, we have been keeping very busy and making sure there's a good balance of working through the children's learning packs as well as enjoying the sunshine and exploring the outside areas.

During the week, Mrs Bennett and Mrs Wainwright adorned rubber gloves (toilets look sparkling!) alongside the rest of the team and set upon a deep clean! Great fun was had by all! We are a team that rolls up our sleeves and gets on with the task in hand!

The school will continue to send you updates from CWJS or the Government.

We wish our families the very best and hope they are all safe and well.

### Covid-19

Please see below a link to a free book explaining Covid-19 and social distancing in a child friendly manner:

<https://www.flipsnack.com/CSKidsBooks/what-s-going-on.html>

So many children are feeling worried and anxious right now, this could help alleviate some of their fears.

### Important Dates to Remember this Spring Term 4:

Friday 3rd April—School breaks up for Easter.

Monday 20th April - INSET Day

Tuesday 21st April – children return to school—under review

### FURTHER DATES TO FOLLOW!
